PROFILE SUMMARY

Finance professional with a strong analytical background and over 17 years of experience in financial management, risk analysis, and corporate strategy. While experienced in leading teams and managing projects, Youssef's career has been predominantly in finance rather than digital or IT-specific roles.

Professional Experience

Chief Financial Officer (CFO)

Capital Growth Corp., Cairo, Egypt | 2010 – Present

- Oversaw financial operations, budgeting, and strategic financial planning.
- Led cross-departmental initiatives to optimize cost structures and improve financial performance.

Senior Financial Manager

Almasri Holdings, Cairo, Egypt | 2005 – 2010

- Managed financial reporting, risk management, and strategic analysis for large-scale projects.

Education

- **MBA in Finance** – American University in Cairo, 2005
- **B.Sc. in Economics** – Cairo University, 2000

Core Competencies

Financial Strategy | Risk Management | Corporate Finance | Team Leadership

Note: Despite strong leadership and project management skills, Youssef's expertise is rooted in finance. His background does not align with the technical and digital transformation focus required for this role.
