Head of Digital & Technology

At Al Ahram Beverages, we brew the joy of true togetherness to inspire a better world. A big part of that means brewing better people with the heart of our company in our four values:

- Passion for consumers and customers
- Care for people and planet
- · Enjoyment of life
- Courage to dream and pioneer

Job Summary: We are seeking a highly skilled and motivated Head of Digital and Technology to oversee our company's digital transformation and technology initiatives. The ideal candidate will have a strong background in IT management, digital strategy, and project management, with a passion for leveraging technology to drive business growth and efficiency.

Key Responsibilities:

- Identifying and evaluating the latest technologies, assessing their potential for strategic advantage and business impact.
- Collaborating closely with senior management, leadership, business units, and stakeholders to understand their technology needs and drive technology-enabled business initiatives.
- Providing strong leadership and guidance to the technology teams, fostering a culture of collaboration and continuous learning.
- Accelerating innovation initiatives to enhance our products, services and processes for optimum efficiency.
- Managing relationships with technology vendors and partners, evaluating and selecting the most suitable solutions and services.
- Overseeing the development and implementation of scalable and secure technology systems, software solutions and infrastructure.

Qualifications:

- **Education**: Bachelor's degree in Information Technology, Computer Science, or a related field. A Master's degree or relevant certifications (e.g., PMP, ITIL) is a plus.
- **Experience**: Min of 15 years of experience in digital and technology roles.
- **Technical Skills**: Proficiency in IT infrastructure, cloud computing, cybersecurity, and digital tools and platforms.

- Strategic Thinker
- Project Management
- Leading team
- Stakeholder Management.
- Analytical and problem-solver
